## What will my child need?

During their stay within crèche your child will need a named bag, with a change of clothes, nappies, baby wipes and a comforter if they have one.

## What will my child eat?

During crèche sessions, Brighter Futures will provide a small snack that is nut-free and we ask that you provide a small bottle of water for each session, please.

## Allergies and sickness.

If your child has any allergies please inform the crèche workers as soon as they start.

In cases of sickness and/or diarrhoea, please leave at least **48 hours** from the time of the final bout of vomiting or diarrhoea, before bringing your child back into crèche.

If you wish to see a list of other illnesses and when your child can come back after starting antibiotics, please just ask one of the crèche team, and they will show you the Brighter Futures sickness policy.

## How will I know what my child has done during the session?

When the children are in the crèche, we will write on the large whiteboard about their session, any nappies and what they have eaten.

## Medication and First Aid.

If an accident happens while your child is in our crèche, one of the Paediatric First Aid trained members of the crèche team will manage this. You will then be informed and asked to sign the accident form.

## Crèche one-to-one support.

Unfortunately, due to staff/child ratios in crèche, we are unable to offer one-to-one support for your child.

If you have any questions or concerns regarding this, please speak to your dedicated keyworker .

## Concerns, complaints and suggestions.

If you have any concerns, please speak to any of the following:

- Our crèche lead Anna
- One of the crèche team
- Your dedicated keyworker

Any compliments or complaints should be directed to the Manager of Brighter Futures Lauren Maggs in the first instance.
