Brighter Futures runs a Dads' Club that runs **every second Sunday** of the month from 10am until 12pm for children between the ages of 0-8 years!!

This club is **open to all dads in Jersey** as a universal service and is a chance for dads to meet other dads in the island with their children. We offer free bacon or veggie sarnies to the dads and a snack to the children. The club is generally run at the Bridge providing lots of activities in a safe environment but we also organise activities out of The Bridge too.

If you are raising your children on your own or simply wish to give your partner a break on a Sunday and would like to meet other dads please feel free to come along to our fun dads club.
