

Brighter Futures

KEYNOTE SPEAKER

Lady Kyd

Name and role:

Lady Kyd, Patron of Brighter Futures and long-serving medical professional.

Professional background:

Lady Kyd has more than 25 years' experience as a General Practitioner, working with all sections of the community in the United Kingdom. Through her public service roles and patronages in Jersey, she supports and promotes charitable and voluntary services across the Island, recognising the importance of community-led care and prevention. Her leadership reflects a strong commitment to health, wellbeing, and the charity sector in Jersey.

Speakers Perspective on why early intervention matters:

Early intervention matters because timely support prevents escalation, strengthens families, and underpins the long-term health and resilience of individuals, organisations, and the wider community.

Together, we are creating Brighter Futures for families in Jersey.
