Brighter Futures

Brighter Futures is a **local charity** supporting parents, families and young people in Jersey. **Working alongside** the **main carer**, our educational model provides them with the **tools to cope**.

Supporting **150 families** at any one time, we focus on **3 key areas**;

- **Parent and child relationships**, helping our clients recognise and value their role as their child's first and most important educator;
- **Well being and positive mental health**, supporting social and emotional wellbeing, allowing increased resilience with the outside world to give our clients a brighter future and a hope.
- **Personal development and second chance learning**, providing the skills our clients may need in order to progress and succeed in education, work and life.

Together, we are creating Brighter Futures for families in Jersey.
