

Brighter Futures

# Become a Brighter Champion!

£10 a month from you secures the future of services we provide for Jersey families.

Help us to help others find a brighter future...

Brighter Futures Jersey

@brightfutureje

At Brighter Futures we work with parents, carers and young people in Jersey, providing support with child development, relationships and family wellbeing in order to improve home environments, life chances and opportunities.

We offer personal development, educational and second chance learning programmes, group sessions, one-to-one support, information, advice and practical help.

Clients come to us from a range of backgrounds, experiences, family and financial situations and all of our services are free of charge.

It costs £500,000 a year to run Brighter Futures. Part of this is funded by the States of Jersey but we still rely on the generosity of our supporters to raise a significant amount. You can help us to help others build a brighter future by becoming a Brighter Champion.

A regular monthly donation from you will stay in the island and make a real difference to families who need a helping hand.

Brighter Futures can work with one family for a year from approximately £3,500. We strive to catch problems early and stop them from getting worse, or, where possible, prevent them from happening in the first place.

Play your part in creating a greater sense of community, with happier families looking at brighter futures, by signing up to become a Brighter Champion.

For a minimum of £10 per month you could help a Jersey family achieve so much. Just fill in the form on the reverse of this leaflet and return to us or visit [www.brighterfutures.org.je](http://www.brighterfutures.org.je), download the form there and sign up for a monthly donation under the 'donate' button.
